Re: Private Attorney Panel, Request for Applications

Dear Attorneys,

The Standing Committee for the Private Attorney Panel is requesting that all attorneys who may be interested in being included on the panel for indigent representation please submit an application. The application procedure, application form, and membership requirements can be found in the Local Rules for the Superior Court, Miscellaneous Rule 1.1.

You may apply for one or all of the following panels: Criminal Felony/Misdemeanor, Juvenile, Guardian Ad Litem, and Appellate. We welcome applications for any of these panels. However, the greatest need for attorneys at the moment is for the Juvenile and Guardian Ad Litem panels.

I hope that many of you will seriously consider becoming members of the Private Attorney Panel for indigent representation. If you have any questions, you may contact Hannah Gutierrez-Arroyo, staff member of the Standing Committee, at 475-3124.
