Responding to the return of Guam to Pandemic Condition of Readiness 1 effective August 16, 2020, by *I Maga'hågan Guåhan* in Executive Order No. 2020-27, and the further closure of all government operations except functions critical to the health and safety of the community by *I Maga'håga* effective noon on August 21, 2020, in Executive Order No. 2020-28, the Supreme Court of Guam issued Administrative Order No. ADM20-399 (Fifth Updated Order Relative to Court Operations Under Exigent Circumstances Related to Covid-19 (Coronavirus)) on August 21, 2020, closing all but essential court operations until at least August 31, 2020.

Under ADM20-399, all warrant returns were designated essential court matters. To further reduce the risk of exposure to COVID-19, the court finds that it is necessary to limit the execution of warrants to criminal warrants and exclude non-criminal warrants, such as warrants related to traffic violations (moving and non-moving violations), child support, failure to pay restitution, fines, or court costs, debt collection cases, and failure to appear where such an excluded warrant would be the sole cause of the detention or arrest of a person. With this consideration in mind, the court **ORDERS** as follows:

1. Paragraphs 3.g. and 4 of this court's Administrative Order No. ADM 20-399 are amended as follows:
